Carl Gillberg

Artist creating fine and functional art and monumental sculptures
in wood, metals, ceramics, stone and glass.

Over a span of 40 years, Carl Gillberg has worked and collaborated with the world's top hospitality and interior designers creating an evolving range of functional art and developing site specific projects from concept, through planning and execution to completion.

Carl's work has been shown and placed in the top tier of interior design showrooms, fine craft and art galleries, the worlds finest hotels, corporate offices, restaurants, casinos, medical facilities and other high-visibility public locations throughout America, Europe, the Caribbean, Malaysia, Hong Kong, Singapore and Japan.

Gillberg pieces are also collected and enjoyed privately worldwide.

Multiple Quantities Using CAD Technology

Monumental Vases for The Wynn Hotel and Casino, Las Vegas.
These seven foot vases were realized from order to shipping in under 35 days.

CAD CAM is common in architecture, but not so in art.

Gillberg Design often uses this application
to make items for public spaces, such as planters and vases.

CAD Technology is used for items made from Cold Rolled Steel or Stainless Steel.
All colors & finishes available for this application.
